

Volume Purchase Program

If you represent an association, grantmaker, business, or other entity serving grant-funded organizations, consider participating in GrantStation's Volume Purchase Program (VPP) to strengthen your constituents' sustainability. VPP allows you to purchase GrantStation Memberships in bulk at a deeply discounted price to help your constituents identify and secure grant funding.

VPP Criteria

- There is a minimum purchase of ten GrantStation Memberships.
- Memberships must start at a specified date and run concurrently.
- Contact information for all organizations receiving Memberships must be submitted via an Excel spreadsheet. (Required fields include first name, last name, email address, and organization name.)

VPP Benefits and Features

- Each participant will receive a one-year GrantStation Membership, which includes:
 - full and unlimited access to GrantStation's databases and funding pages to find private and government funders that match their scope and missions;
 - tutorials and resources to help them build a comprehensive grantseeking strategy and write effective proposals;
 - a dashboard to develop and manage their grantseeking strategy;
 - access to award-winning proposals; and,
 - articles and blog posts on the latest grant developments.
- The group will participate in a two-hour live webinar, Proposal Writing 101, hosted by GrantStation's President Alice Ruhnke. The webinar will include curated content focused on participants' mission focus, region, or areas of interest.

VPP Costs

- The ten Membership block with the live webinar is \$1,490.
- Additional Memberships can be added at \$149 each.
